## *A History of the Future*

by **Robert A. Nelson**

*Michel de Notredame ( Nostradamus )*

The 16th century French doctor Michel de Notredame ( Nostradamus ) is widely considered to be the greatest prophet of all time, though Christians quibble otherwise. He was practiced in the mystic sciences and had a talent for clairvoyant prediction. However clearly detailed the imagery may have been, he felt obliged to obscure his descriptions:

"In 1554, I decided to give way and, by dark and cryptic sentences, tell of the causes of the future mutation of mankind, especially the most urgent ones... in a manner that would not upset fragile sentiments. All had to be written under a cloudy form, above all things prophetic..."

His predictions "extend from now to the year 3797". Nostradamus first wrote his quatrains in plain Old French, and he included names and dates. Then he rewrote them in a complex code of acronyms, anagrams, apocopes, synechdoches, ellipses, hyperbations and metatheses, syncopes, aphereses, epentheses, metonyms, and other exotic grammars and syntaxes. Nostradamus burned (or possibly buried) the original, explicit prose prophecies, because he did not want to complicate unduly humanity's problem of free choice, or to encourage a fatalism that might deter us from making our best efforts to correct ourselves. Nor did he wish to interfere with the fulfillment of his prophecies by stating them too clearly in advance. And, he had no desire to incur the wrath of the Holy Inquisition:

"I warn you especially against the vanity of the more execrable magic, condemned of yore by the Holy Scriptures and by the Canons of the Church... However, judicial astrology is excepted from this judgment".

Shortly after the publication of *The True Centuries*, Nostradamus became famous as some of his prophecies found fulfillment in the death of King Henry II. In the ensuing centuries, about half of his predictions have been fulfilled with acceptable (and sometimes startling) accuracy. Following is a partial list of historical events foreseen by the prophet according to a consensus of some of his commentators' interpretations:

*16th century:* Catherine Medici and the fate of her sons (C.6:29, C.2:63, and C.7:32); Queen Mary and the Casket Letters, 1567 (C.10:39, C.10:55, and C.8:23); the capture of Calais, 1558 (C.7:16); the Battle of Lepanto, October 1571 (C.9:42); the capture of Tunis, 1573 (C.8:50); and the Edict of Poitiers, 1577 (C.5:72).

*17th century:* The death of Elizabeth I, 1603 (C.6:74); the death of Cardinal Richelieu and Louis XIII, 1642 (C.9:18 and C.8:68); the defeat, captivity and execution of Charles I, 1649 (C.3:80, C.8:37, and C.9:49); Charles II and the battle of Worcester, 1651 (C.10:4 and C.8:56); the Plague of London, 1665 (C.2:53); the Great Fire of London, 1666 (C.2:51); the sinking of the French fleet in the Gulf of Lyon, 1655 (C.3:87); the 30 Years War (C.5:12 and C.5:13); and William III of England and the Glorious Revolution of 1688-1689 (C.4:89).

*18th century:* The War of Spanish Succession, 1701-1713 (C.4:2 and C.2:5); the death of Pope Pius VI at Valence, 1799 (C.2:97); the French Revolution and the death of Louis XVI and Marie Antoinette (C.1:3, C.1:14, C.1:58, C.5:5, C.6:92, C.9:20, C.9:34, and C.9:77); and Napoleon and the Battle of Lodi, May 10, 1796 (C.6:79).

*19th century:* Napoleon I (C.8:1, C.1:57, and C.4:53) and his Italian campaign (C.4:37, C.3:37, C.2:94, and C.1:93); Wellington's campaign against Napoleon in the Spanish peninsula (C.4:70) and at Waterloo, 1815 (C.4:75); Napoleon's Russian Campaign (C.3:37) and his retreat from Moscow, 1812-1813 (C.4:82); Napoleon's exile at Elba and St. Helena (C.1:32 and C.1:60); the assassination of Duke de Berry, 1820 (C.4:73); Napoleon III (C.8:41 and C.5:20) and the Franco-Prussian War, 1870-1871 (C.4:100); the coronation of Napoleon III (C.5:6); and the defeat of Louis Napoleon, 1870 (C.8:43).

*20th century:* The abdication of Edward VIII, 1936 (C.10:40), World Wars I and II (dozens of quatrains); Hitler (C.2:24 and several others); Marshal Petain of France, 1940-1944 (C.4:61 and C.8:68); the capture of Tobruk (C.1:28); and Mussolini and Victor Emmanuel V (C.8:31).

Nostradamus' prophecies have gone through many editions, some of which are counterfeit. Most are riddled with typographic and other editorial errors. The definitive study is Edgar Leoni's *Nostradamus and His Prophecies*, which best represents the authentic spelling and style of the first edition. Most other modern translations are travesties, and the interpretations based on them are mere fantasy.

Most of Nostradamus' prophecies concern Europe, though a few seem to refer to the USA. At least 100 of them describe a future invasion of Europe by Muslims. The most coherent and explicit of those will be considered here. He predicted the Israeli invasion of Lebanon and the siege of the PLO in 1982 with remarkable accuracy, albeit so obscurely that it is understandable only in retrospect:

**C. 6 Q. 34**

*The device of flying fire  
Will come to trouble the great besieged Chief  
Within there will be such sedition  
That the profligate ones will be in despair.*

"The device of flying fire" is Nostradamus' term for jets or missiles, phosphorus bombs and artillery which were used "to trouble the great besieged Chief", Yasser Arafat. The Israeli invasion of Lebanon was triggered by the attempted assassination of Shlomo Argov, the Israeli ambassador in London, by a PLO splinter group ("sedition within"). Line 4 is confusing until "profligate" is understood in its obsolete meaning: beaten and dispersed! Thus, "profligate" certainly applies to the Palestinians in general. The circumstance of the besieged PLO and its resolution (the UN-supervised evacuation of the PLO army) are unique in history, and Nostradamus can be credited with having predicted it accurately. The situation in Iran also caught Nostradamus' attention :

**C. 1 Q. 70**

*Rain, famine, war in Persia not ceased,  
The faith too great will betray the monarch,  
For the end began in Gaul:  
Secret augury for one to be sparing.*

This quatrain foretells famine in Iran (Persia). "The faith too great" is the Islamic religion; the betrayed monarch was the deposed Shah Pahlavi. "The end began in Gaul" (France), where Ayatollah Khomeini was exiled until he returned to Iran after the revolution there. The last line may be private advice to some fated person whom Nostradamus expected would read his prophecies some day. Israel also foresaw modern Israel :

**C. 3 Q. 7**

*New law to occupy the new land  
Toward Syria, Judea and Palestine:  
The great barbarian empire to decay,*

*Before the Moon completes its cycle.*

Lines 1 and 2 predict the return of the Jews to establish Israel. Lines 3 and 4 foretell the decline of Muslim power. The crescent moon is a Muslim symbol. A lunar cycle is about 28 days, but a larger-scale cycle of 28 years may be meant here.

The following is a prediction of the Israeli kibbutz program, which has taken "at pleasure" from the Palestinians and occupied the desert, a "place then uninhabitable", turning it into meadows and rendering "extensive acreage arable", fertilized with Palestinian blood.

### **C. 2 Q. 19**

*Newcomers, place built without defense,  
To occupy place then uninhabitable  
Meadows, houses, towns to take at pleasure,  
Hunger, pestilence, war, extensive acreage arable.*

### **C. 1 Q. 19**

*The Gods will make it appear to men  
That they are the authors of a great conflict:  
Before heaven seen serene sword and lance,  
So that the left hand will be a greater affliction.*

C. 1:19 has several possible translations and interpretations. The first line suggests that demigods (or extraterrestrial alien poseurs) will put on a display of power for our edification -- or, mere pseudo-human psychopaths (viz., the Illuminati, *et. al.*) will precipitate World War 3. Samuel Browning wrote: "The Gods are those who either have money or don't need it" -- the super-rich few who control the planet insofar as they can, including financing wars. Nostradamus also might be telling us that the next great war will be "religious", such as a Muslim Jihad versus Christianity.

## **Jihad**

The ISIS army has declared itself to be the military force that will carry jihad to Europe, and daily events evidence that claim with ever-increasing attacks that will not stop until Europeans fight back.

In August 2014, Amel Shimoun Nona, the exiled Chaldean Catholic archbishop of Mosul, warned that, "Our sufferings today are the prelude of those that you, Europeans and Western Christians, will also suffer in the near future. I lost my diocese. The physical setting of my apostolate has been occupied by Islamic radicals who want us converted or dead. But my community is still alive. Please, try to understand us. Your liberal and democratic principles are worth nothing here. You must consider again our reality in the Middle East, because you are

welcoming in your countries an ever growing number of Muslims. Also, you are in danger. You must take strong and courageous decisions, even at the cost of contradicting your principles. You think all men are equal, but that is not true: Islam does not say that all men are equal. Your values are not their values. If you do not understand this soon enough, you will become the victims of the enemy you have welcomed in your home. Our sufferings today are the prelude of those that you, Europeans and Western Christians, will also suffer in the near future”.

According to the most obvious interpretations of Nostradamus' cryptic quatrains, Europe will suffer another invasion by Muslims. The situation will be complicated later by Russian and Chinese incursions. Some of his predictions came true within 20 years after the publication of *The True Centuries*, but most of them definitely indicate a future war between Christians and Muslims. About a dozen of the quatrains concerning this war are dated by astronomical configurations that began in the 1980s and continue into the 21st century. That war did not begin on schedule, but the prophet was perfectly accurate in his timing the outbreak of the Balkan war between Christians and Muslims in the 1990s. It is the opinion of this writer that the Marian movement (of prayer for peace) was successfully in delaying the prophesied "wrath of God" for some 20 years -- but that grace period has ended.

#### **C. 6 Q. 21**

*When those of the arctic pole are united together*

*Great terror and fear in the East*

*Newly elected, sustaining great trembling*

*Rhodes and Byzantium stained with Barbarian blood.*

"Those of the arctic pole" probably are the Russians. Asia and the Middle East will live in "great terror and fear". Line 3 possibly refers to US President George Bush and the terrorist attack of September 11, 2001. At some point there will be fighting at Rhodes and Eski Ereğli (Byzantium). The "Barbarian blood" is that of the Muslims.

## Rhodes

## Byzantium

### C. 5 Q. 54

*From the Pont Euxine and great Tartary  
A king will be who will come to see Gaul  
To transpierce Alane and Armenia  
And within Byzantium he will leave his rod.*

The Pont Euxine is the Black Sea, and Tartary is in Central Asia. Alane is the area between the Don, the Volga, and the Caucasus River. The king will be distinguished by his "rod", a scepter or weapon.

## Pont Euxine

Tartary

### C.2 Q. 39

*The Easterner will leave his seat  
To pass the Apennine mountains to see Gaul  
He will transpierce the sky, the waters, and the snow  
And everyone will be struck by his rod.*

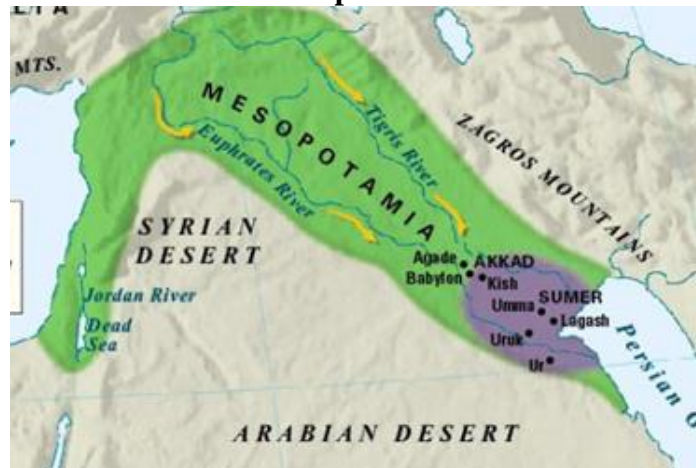

### C. 8 Q. 70

*He will enter ugly, wicked, infamous  
Tyrannizing over Mesopotamia  
All made friends by the adulterine lady  
Land horrible black of physiognomy.*

The leader of the Muslims ( or, the USA ) will rule Iraq (Mesopotamia). "The

adulterine lady" may be the harlot of "Mystery Babylon" in the biblical Revelation of St. John, or even Hillary Clinton. The land will be razed.

### Mesopotamia

### C. 3 Q. 60

*Throughout all Asia great proscription  
Even in Mysia, Lysia, and Pamphilia  
Blood will be shed because of the absolution  
Of a young black one filled with felony.*

Muslims throughout Turkey, the Middle East, Asia and Africa will join the jihad, which will be led by a murderous young man. Line 4 may well refer to former US President Barack Obama.

### Pamphilia

**C. 8 Q. 96**

*The synagogue sterile without any fruit  
 Will be received by the infidels  
 The daughter of the persecuted of Babylon  
 Misery and sadness will clip her wings.*

Israel's invasion of Lebanon in 1982 injured its national and religious spirit, rendering it "sterile" in the sense of line 1. This sentiment was expressed by Shlomo Argov (the Israeli ambassador whose attempted assassination triggered the war). Lines 1 and 2 also may have predicted the return of the Jews to Israel in 1948. Line 4 suggests that Israel ("The synagogue" and "The daughter of the persecuted of Babylon" ) will be conquered by the other Semites.

**C. 5 Q. 47**

*The great Arab will march far forward  
 He will be betrayed by the Byzantians  
 Ancient Rhodes will come to meet him  
 And greater harm through the Austrian Panonniois.*

Turkey ( Byzantium ) will commit treachery, and the isle of Rhodes will present a futile resistance. Austria-Hungary (Pannoniois) will be attacked by way of Trieste.

**C. 9 Q. 73**

*The Blue Turban King entered into Foix  
 And he will reign less than the evolution of Saturn*

*The White Turban King Byzantium heart banished  
Sun, Mars, and Mercury near Aquarius.*

"The Blue Turban" Muslims will overthrow the "White Turban" Turkish ruler. Foix is in southwest France. The new Muslim empire will last less than 30 years, the period of an orbit of Saturn around the sun. The conjunction of Mars, Mercury, and the Sun in Aquarius last occurred in January 1994. The next positioning of these planets near Aquarius will occur in May and November-December 2018.

### **Foix**

### **C. 5 Q. 78**

*The two will not remain united for very long,  
And in thirteen years to the Barbarian Satrap :  
On both sides they will cause such loss  
That one will bless the bark and its cope.*

The Muslim alliance will last about 13 years; it will test the Christian spirit ( "The Bark and its cope" -- the Catholic Church and the Pope ).

### **C. 5 Q. 91**

*At the great market they call that of liars  
Of all Torrent and field of Athens  
They will be surprised by light cavalry,  
By Albanois Mars, Leo, Saturn in Urn.*

Line 1 is inexplicable. War will ravage Greece and Albania. The next astrological configurations of Mars in Leo and Saturn in Aquarius ( The Urn ) will occur in March-July 2020. Mars will be in Leo in July and August 2019, and May and July 2023.

### **Albanois ( Albania )**

Biological warfare ( "an unknown evil" ) will ravage the Greece and the Balkans :

**C. 5 Q. 90**

*In the Cyclades, in Perinthus, and Larissa,  
 In Sparta all of Peloponnesus  
 Such great famine, plague through false dust,  
 Nine months it will last and throughout the entire peninsula.*

The Cyclades are Greek islands southeast of Athens. Perinthus was near the eastern tip of Thrace. Larissa was the chief city of Thessaly in northern Greece. Sparta is on the Peloponnesian Peninsula. The "false dust" may refer to depleted uranium or aerosol delivery of biotoxins.

**C. 9 Q. 91**

*The horrible plague Perinthus and Nicopolis  
 The Peninsula and Macedonia will it fall upon  
 It will devastate Thessaly and Amphibolis,  
 An unknown evil, and from Anthony refusal.*

## Peloponnesus Peninsula

Thessaly

### C. 5 Q. 27

*Through fire and arms not far from the Black Sea,  
Will come from Persia to occupy Trebizand  
To tremble Pharos, Myteline, Sol joyful  
The Adriatic Sea covered with Arab blood.*

Muslim forces will occupy Trabzun in the northeast corner of Asia Minor on the Black Sea. Pharos is an island forming part of the harbor of Alexandria, Egypt. Myteline is the island of Lesbos off the northeast coast of Asia Minor. Both places will be attacked. Many will die in the Adriatic Sea.

Trebizand

Adriatic Sea

**C. 2 Q. 86**

*Wreck for the fleet near the Adriatic Sea :  
 The land trembles stirred up upon the air placed on land  
 Egypt trembles Mahometan augment,  
 The Herald surrenders himself, to cry is commissioned.*

Nostradamus predicts a great naval battle in the Adriatic Sea. Line two indicates a geological catastrophe. Egypt is threatened, as prophesied also in line 3 of Century 5:27 ( "to tremble Pharos" ) Line 4 suggests that a new prophet will arise, or that a diplomat will be held hostage.

**C. 5 Q. 25**

*The Arab prince Mars, Sun, Venus, Lion  
 The reign of the Church will succumb to the sea  
 Toward Persia well near a million  
 Byzantium, Egypt will resist the temptation.*

Mars, Sol and Venus conjoin in Leo in August 2019.

**C. 2 Q. 30**

*One whom the gods of infernal Hannibal  
Will bear to be reborn, terror of humans  
Never more of horror nor worse days  
In the past than will come by Babel to Romans.*

The ancient Carthaginian conqueror Hannibal Barca will reincarnate and attack Rome again. Carthage (now Libya) was founded by the Phoenicians. This suggests that Italy will be attacked by way of Libya. Babel in line 4 is now Iraq-Iran.

**Hannibal Barca**

**C. 3 Q. 73**

*The Church of God will be persecuted  
And the holy temples ill be plundered,  
The child will put his mother out in her shift,  
Arabs will be allied with the Poles.*

The first two lines of this quatrain are self-explanatory, and are happening now. The alliance of line 4 may have been established on September 9, 1982, when Moammar Khadafy visited Poland and signed a friendship treaty with that country.

**C. 10 Q. 65**

*O vast Rome, thy ruin approaches,  
Not of thy walls, of thy blood and substance  
One harsh in letters will make a very horrible notch,  
Pointed iron driven into all the hilt.*

**C. 1 Q. 8**

*How many times will you be taken, Solar City.*

*Changing the Barbarian and vain laws,  
Your end approaches: you will be more tributary,  
The great Adria will recover through your veins.*

The "Solar City" probably is Rome. "The great Adria" is the Adriatic Sea. Nostradamus may be predicting an invasion of Venice by Muslims.

### **C. 1 Q. 9**

*From the Orient will come the Punic heart  
To vex Adria and the heirs of Romulus,  
Accompanied by the Libyan fleet  
Malta to tremble and nearby islands empty.*

"The Punic heart" refers to the Carthaginian Hannibal of Century 2:30. The Muslims will attack Italy ("the heirs of Romulus") in the Adriatic Sea. Malta will tremble with fear and/or an earthquake.

The islands of the Mediterranean Sea will be pillaged :

### **C. 7 Q. 6**

*Naples, Palermo, and all Sicily  
The entire coast will remain desolated  
There will remain no suburb, city or town  
Not pillaged and robbed by the Barbarians.*

**Sicily**

**C. 3 Q. 64**

*The chief of Persia will occupy great Olchades  
The trireme fleet against the Mahometan people  
From Parthia, and Media: and the Cyclades pillaged  
Long rest at the Ionian port.*

Muslims will invade southwest Spain (Olchades). The Cyclades are islands in the Aegean Sea. Parthia and Media were located in what is now Iran. "The Ionian port" is either Venice or Trieste.

## Aegean

## Sea

## Cyclades

### C. 2 Q. 4

*From Monaco to near Sicily  
The entire coast will remain desolated :  
There will remain no suburb, city or town  
Not pillaged and robbed by the Barbarians.*

## Monaco

**C. 4 Q. 23**

*The legion in the marine fleet  
Will burn lime, lodestone, sulfur and pitch :  
The long rest in the secure place:  
Port Selyn and Monaco, fire will consume them.*

**C. 3 Q. 10**

*Greater calamity of blood and famine,  
Seven times it approaches the marine shore :  
Monaco from hunger, place captured, captivity,  
The great one led crunched in an iron cage.*

These quatrains spell doom for the inhabitants of the Mediterranean coast of Europe. A military commander will be captured and put on display in a cage, or transported in an armored vehicle.

**C. 5 Q. 55**

*In the country of Arabia Felix  
There will be born one powerful in the law of Mahomet  
To vex Spain, to conquer Granada,  
And more by sea against the Ligurian people.*

Arabia Felix is the area between Yemen and Aden. Liguria is now Genoa, Italy.

**Genoa**

**C. 4 Q. 67**

*The year that Saturn and Mars are equally fiery*

*The air hot, dry, long trajectory*

*From secret fire, the great heat burns the place to ashes*

*Little rain, hot, arid, wars, incursions.*

Saturn and Mars will conjunct in Leo in the summer of 2023. The "secret fire" is the atomic bomb, which is top secret in many respects. This prophecy may have been fulfilled in May 1986, when Halley's Comet passed and the Chernobyl nuclear power plant exploded.

**C. 1 Q. 83**

*The strange nation will divide spoils,*

*Saturn in Mars his aspect furious:*

*Horrible slaughter of Tuscans and Latins,*

*Greeks, who will desire to strike.*

This quatrain repeats the schedule of Century 4 Quatrain 67. "The strange nation" ( the Muslim Caliphate ) will pillage and slaughter the Italians and Greeks. France will be attacked by the Muslims. "Saturn in Mars" is meaningless unless a conjunction is meant. Both planets will be in Leo in the summer of 2019 and 2023.

**Tuscany**

**C. 3 Q. 23**

*If France you pass beyond the Ligurian Sea,  
You will see yourself in the isles and seas enclosed  
Mahomet contrary, more so the Adriatic Sea  
Of horses and asses you will gnaw the bones.*

Here and elsewhere, Nostradamus repeatedly warned the French navy not to overextend itself in the Mediterranean Sea.

**Ligurian Sea / Corsica / Sardinia**

**C. 3 Q. 87**

*Gallic fleet, do not approach Corsica,  
Less Sardinia, you will repent of it*

*Every single one will die frustrated of the end of the cape.  
You will swim in blood: captive you will not believe me.*

**C. 3 Q. 90**

*The great Satyr and Tiger of Hyrcania  
Gift presented to those of the Ocean  
A chief of the fleet will come from Carmine  
Who will take land at Tyrren Phocaeon.*

A naval commander from Hyrcania (now part of Iran) will attack Marseilles ("Tyrren Phocaeon"). These quatrains may have been fulfilled in 1655, when the French fleet was sunk in the Gulf of Lyon, or in 1940 when the British navy destroyed the French fleet off the coast of Algiers.

**C. 1 Q. 18**

*Because of Gallic discord and negligence.  
A passage will be open to Mahomet.  
Blood soaks the land and sea of Seines.  
The Phoenician port covered with sails and ships.*

"The Phoenician port" is Marseille, where the Muslims will enter France. The country will be weakened by subversive immigrants and civil disorder, and will be unable to repel the invaders. The Senois in line 3 are the Senons, an ancient Gallic tribe. Venice will be captured.

**C. 1 Q. 72**

*The inhabitants of Marseilles completely changed,  
Flight and pursuit up to near Lyon,  
Narbonne, Toulouse wronged by Bordeaux.  
Killed and captive nearly a million.*

**Marseille / Toulouse**

**C. 1 Q. 73**

*France because of Negligence assailed on five sides,  
Tunis, Algiers stirred up by Persians.  
Leon, Seville, Barcelona having failed,  
For the Venetians there will be no fleet.*

**C. 8 Q. 21**

*Three foists will enter the port of Agde.  
Carrying the infection, not faith or pestilence.  
Passing the bridge they will carry off millions,  
And to break the bridge resistance by a third.*

Agde is on the southwest coast of France. The Muslims will attack there with biological weapons. Or, an epidemic ( e.g., cholera ) will break out in the aftermath of the fighting. This and several related quatrains mention an unidentified bridge as the scene of a great battle. Millions of people will be killed and captured there.

**C. 2 Q. 94**

*Great Po, great evil will be received through Gauls,  
Vain terror to the maritime Lion  
Infinite people will pass by sea,  
Without escaping a quarter of a million.*

The Po River is in northern Italy. "The maritime Lion" is the British navy. Millions of Muslims will cross the Mediterranean Sea. A quarter million people will be captured.

**Po River**

**C. 3 Q. 88**

*From Barcelona by sea a very great army*

*All Marseilles will tremble with terror  
Isles seized help shut off by sea  
Your traitor will swim in earth.*

This quatrain is self-explanatory, though the last line is confusing.

**C. 3 Q. 71**

*Those in the isles long besieged  
Will take vigor and force against their enemies :  
Those outside dead overcome by hunger,  
They will be put in greater hunger than ever before.*

**C. 8 Q. 6**

*Lightning brightness at Lyons visible,  
Shining, Malta is taken, suddenly it will be extinguished  
Sardon, Maurice will treat deceitfully,  
Geneva at London to the cock feigned treason.*

Lyon and Malta will be attacked with nuclear weapons, or missiles (with their lightning-like tails and explosions). Line 4 suggests a betrayal of the French by England and Switzerland. The Swiss government will be in exile in London.

**C. 2 Q. 96**

*Burning torch in heaven at night will be seen  
Near the end and source of the Rhine :  
Famine, steel, the relief provided late,  
The Persian turns to invade Macedonia.*

The "burning torch in heaven" might be a comet, or a nuclear missile. The targets will be the source and mouth of the Rhone River, which originates at the foot of Furka Pass. It runs 505 miles to the Mediterranean Sea near Marseilles. The Rhine River begins within 100 yards of the Rhone, and runs 820 miles to the North Sea. The Danube River begins only 15 miles away from the Rhine and Rhone, and it

flows 1776 miles to the Black Sea. Famine will devour the people as the delivery of relief supplies is delayed. Muslims will invade Greece (Macedonia), as reiterated in several other quatrains. The Muslim invasion will include Switzerland.

### Rhine River

### C. 9 Q. 44

*Migrate, migrate from Geneva every one,  
Saturn from gold to iron will change,  
The contrary RAYPOZ will exterminate all,  
Before the advent the sky will show signs.*

The inhabitants of Geneva will be wise to flee when the economy (Saturn) turns from banking (gold) to war (iron). "RAYPOZ" may be Nostradamus' transposed spelling for Zopyra, who delivered Babylon into the hands of Darius. "RAYPOZ" also may be a "positive ray" beam weapon. It may also refer to a catastrophe caused by the CERN collider, which severely disrupts the geomagnetic field. The event will be portended by celestial or atmospheric omens.

### Geneva

Germany also will be attacked by the Jihadists :

**C. 10 Q. 31**

*The holy empire will come to Germany,  
Ishmaelite will find open places  
Asses will want also Carmania,  
Supporters of earth all covered.*

"The holy empire" is that of the Muslims. They will invade Germany. Infact, they have already. The Ishmaelites are the Arabs, who claim to be descended from Ishmael, son of Abraham. Carmania once covered the modern area of Iraq and Iran.

**C. 5 Q. 68**

*In the Danube and the Rhine will come to drink  
The great Camel, not repenting it  
The Rhone to tremble, much stronger than the Loire  
And near the Alps the Cock will ruin him.*

After the Muslims invade Austria and Germany, they will be defeated by the French ("the Cock") near the Alps.

**C. 8 Q. 91**

*Entered amidst the fields beside the Rhone  
Where the crusaders will be almost united,  
Mars and Venus met in Pisces,  
And a great number punished by flood.*

The Europeans ( "the crusaders" ) will gather their armies near the Rhone River. The astrological configuration of line 3 ( Mars and Venus in Pisces ) also is mentioned in Century 9 Quatrain 55. It will occur in April 2022. Many people will drown in floods.

**C. 2 Q. 84**

*Between Campania, Siena, Florence, Tuscany  
Six months nine days without a drop of rain  
The strange tongue in the Dalmatian land  
It will overrun, devastating the entire land.*

A drought will occur in the area covered by the Italian cities listed in line 1. The Muslim invaders ("the strange tongue") will devastate the peninsula.

**C. 3 Q. 75**

*Pau, Verona, Vicenza, Saragossa  
From distant swords wet with blood :  
Very great plague will come with the great pod,  
Relief near, and the remedies very far.*

The cities listed in line 1 are in southwest France, Spain and northern Italy. Line 3 seems to describe biological warfare delivered by missile.

**C. 3 Q. 93**

*In Avignon the chief of the whole empire  
Will make a stop on the way to desolated Paris  
Tricast will hold the anger of Hannibal,  
Lyon will be poorly consoled for the change.*

Paris will be devastated. The Muslim advance will be halted at "Tricast", which might be the French city of Troyes, or St. Paul-Trois-Chateaux.

**Avignon**

**C. 3 Q. 84**

*The great city will be thoroughly desolated  
Of the inhabitants a single one will not remain*

*Wall, sex, temple and virgin violated,

By these themselves great incursions  
Rain, frosts will make the soil uneven,  
Port Selyn will make mighty invasions.*

Aquitaine is a large province in southwest France. The British and allies will land there and attack the Muslims. "Selyn" (from the Greek selene, moon) probably refers to the Muslim crescent moon logo.

**C. 9 Q. 31**

*The trembling of land at Mortara,  
Cassiterides St. George half sunk to the bottom.  
Drowsy peace the war will awaken  
In the temple at Easter abysses ripped open.*

Mortara (in northern Italy near Milan) will be struck by an earthquake. England is Cassiterides, the Tin Islands. Saint George is the patron saint of England. The islands will half-sink in a geological catastrophe. The timing appears to be at Easter.

**C. 3 Q. 70**

*The great Britain comprised England  
Will come by waters so high to be inundated  
The new league of Ausonia will make war  
That against them they will come to band.*

Ausonia (near Naples) will become a center of resistance against the Muslims. Many other European prophets before and after Nostradamus made predictions of a "Grand Monarch" who will lead Christian Europe to victory over the Muslims. Nostradamus refers to him many times :

**C. 10 Q. 86**

*Like a griffin will come the king of Europe,  
Accompanied by those of Aquilon  
Of reds and whites he will conduct a great troop  
And they will go against the king of Babylon.*

Aquilon was the Roman god of the North Wind. Line 2 thus indicates that the Italian army will be allied with the Grand Monarch. The " red and whites " may be the British army.

**C. 8 Q. 34**

*After the victory of the Lion over the Lion  
Upon the mountain of Jura Hecatomb,  
Deluge and browns seventh million  
Lyon, Ulm at Mansol dead and hecatomb.*

The Muslims will be defeated in a battle in the Jura Mountains of Franche-Comte in the Alps. It will be a great slaughter ( a Hecatomb ) of some 120,000 people. Line 4 is obscure, but Lyons certainly is in France, and Ulm is in Germany. "Mansol" is believed to be St Paul-de-Mausol in France.

**C. 2 Q. 48**

*The great force which will pass the mountains  
Saturn in Sagittarius Mars turning from the Fish  
Poison hidden under the head of salmon,*

*Their chief hung from the cord of the warlord.*

Saturn is in Sagittarius through most of 2017. The rest of this quatrain is an exercise in elective exegesis.

**C. 2 Q. 81**

*Through fire from heaven the city nearly burned  
The Urn menaces Deucalion again  
Sardinia vexed by the Punic foist,  
After which Libra will leave her Phaeton.*

Sardinia will be attacked. Deucalion is connected with the great Flood myth, so more flooding can be expected according to this quatrain.

**C. 9 Q. 55**

*The terrible war that is being prepared in the west  
The ensuing year will come the pestilence  
So very horrible that young, old, nor beast  
Blood, fire, Mercury, Mars, Jupiter in France.*

Biological warfare will ravage humans and animals. The next conjunction of Jupiter and Mars will be 7 January 2018. Jupiter will enter Cancer again in 2025, though Mars will have moved into Leo by then.

**C. 5 Q. 74**

*Of Trojan blood will be born a Germanic heart  
Who will rise to a very high power  
He will drive out the foreign Arabic people  
Returning the Church to its pre eminence.*

"Trojan blood" refers to the royal blood of France, which according to legend descends from Francus, son of King Priam of Troy. The king will rout the Muslims and restore the Catholic Church.

**C. 6 Q. 24**

*Mars and the sceptre will be found conjoined  
Under Cancer calamitous war  
Shortly afterward a new king will be anointed  
Who for a long time will pacify the earth.*

"The sceptre" is Jupiter, which will be conjunct Mars in Cancer in January 2018. Then the anticipated Grand Monarch will appear.

**C. 3 Q. 99**

*In the grassy fields of Allein and of Verneques  
Of the Lubern Mountains near the Durance,*

*Camps of two sides in conflict so bitter  
Mesopotamia will falter in France.*

Allein and Verneques are villages northeast of Salon, Nostradamus' hometown. The Luberon mountains are on the north side of the Durance River. The Muslims will be defeated there.

### **Luberon Mountains**

#### **C. 4 Q. 34**

*The great one of the foreign land led captive,  
Chained in gold to king Chyren offered  
He who in Ausonia, Milan will lose the war,

*With great fury the Roman Belgian King  
With want to vex the barbarian with his phalanx  
Fury gnashing, he will chase the African people  
From Pannonois to the Pillars of Hercules.*

Pannonois is Hungary. The Pillars of Hercules are the Straits of Gibraltar. The Grand Monarch will drive the Muslims from Spain into Africa.

#### **C. 10 Q. 95**

*To the Spains will come a very powerful king  
By land and sea subjugating the South*

*This evil will cause, lowering again the crescent,

*Ogmios will approach great Byzantium  
The Barbaric League will be chased  
Of the two laws the heathen one will retreat,  
Barbarian and Frank in perpetual strife.*

Ogmios, the Gallic deity of eloquence, was the equivalent of Hercules. Here he symbolizes the commander of the European army. They will chase the Muslims back to Turkey.

The Europeans will be counter-attacked on the beach:

**C. 9 Q. 43**

*On the point of landing the Crusader army  
Will be ambushed by the Ishmaelites,  
On all sides struck by the ship "Impetuosity"*

*Promptly assailed by ten elite galleys.*

**C. 3 Q. 31**

*On the fields of Media, of Arabia, and of Armenia*

*Two great armies will assemble three times.*

*Near the bank of Araxes the host*

*Of great Suleiman will fall in the land.*

The Araxes River is in Armenia, east of the Black Sea. Media is southeast of Armenia. The war will end there with the total defeat of the Muslims.

**Araxes River**

**C. 1 Q. 40**

*The false trumpet concealing madness*

*Will bear Byzantium a change of laws*

*From Egypt will go forth one who wants the withdrawal of*

*Edicts debasing the quality of coins.*

Line 1 is an apt description of infrasound weapons ( invented by Vladimir Gavreau, *et al.* ) or psychoacoustic projectors, which were used by the USA in Iraq.

Eventually the Christian army will reach the Euphrates River :

**C. 3 Q. 61**

*The great band and sect of crusaders*

*Will be arrayed in Mesopotamia*

*Light company of the nearby river,*

*That such law will hold for an enemy.*

**C. 2 Q. 79**

Will subjugate the cruel and proud people  
The great Chyren will remove from far away  
All those captured by the banner of Selin.*

The European king, here called Chyren, will liberate the captives held by the Muslims ( "Selin" ).

All this shall come to pass, yet with worse to come, however, according to Nostradamus and many other prophets. But that is another chapter in the History of the Future...
